## Dr. Williams' Charity.

The Charity includes a number of benefactions for which the founder, the Rev. Daniel Williams, D.D. (b. 1643, d. 1716), made provision in his will. The most important of these is now the Library, which has been greatly enlarged and developed since his time.

Besides the Library, the benefactions include grants of money to poor ministers, and to widows of ministers; grants of books to ministers; bursaries to undergraduate students for the Protestant Dissenting Ministry at the University of Glasgow; post-graduate divinity scholarships for students for the Protestant Dissenting Ministry in approved Theological Colleges.

Provision is also made by the Charity for special Ministers in Wales to do missionary and evangelising work in aid of the weaker churches, or in districts where there is no regular ministry.

The Trustees also give bursaries and scholarships to be held at the Presbyterian College, Carmarthen, and exhibitions for boys and girls in the County Schools, Wrexham. They contribute to the maintenance of the Dr. Williams' School for Girls (Secondary) at Dolgelley, North Wales. For information as to the institutions named in this paragraph, application should be made to them locally, and not to the Secretary of Dr. Williams' Charity.

**GRANTS TO POOR MINISTERS.**—Sums ranging usually from £5 to £100 not in aid of inadequate salaries, but to meet special emergencies or to help in education of children. It has been the practice for many years to restrict these grants to ministers of Baptist or Congregational Churches. Retired ministers are not eligible.

**GRANTS TO WIDOWS OF MINISTERS.**—These are made for the same purposes as those to ministers, but are not restricted to members of Baptist or Congregational Churches. The amount available for these grants is less than for those to ministers.

**GRANTS OF BOOKS** (called in the founder's will "Bibles and good practical books to be given to the poor").—These grants are made only in June of each year. Applications may be made at any time up to the middle of May in each year; if any grant is made the books are sent out in the following July. The books given are intended to help ministers in their studies. They are new books, and are not given from the Library.

**GLASGOW BURSARIES (Undergraduate).**—Prospectus may be had from the Secretary. Candidates must be of South Britain. Applications must be sent in not later than April 30th in each year.

**DIVINITY SCHOLARSHIPS.**—Prospectus may be had from the Secretary. Applications must be sent in not later than May 31st in each year.

For all the foregoing, application must be made to the Secretary, who will supply further information as required.

## Notes and News.

TRUSTEES.—Dr. Talfourd Ely, a Trustee since 1892, died on January 5th. His place has been filled by the election of Mr. William S. Sharpe.

DONATIONS.—An unusually large proportion of the books recorded in the following pages have been received by gift. With two exceptions, however, the several donations have not been sufficiently large or homogeneous to merit a separate section in the Bulletin. The exceptions are firstly, a generous gift from the American Unitarian Association (see page 128), and, secondly, the donation from Dr. Thomas Bennett, LL.D., of his valuable collection of extracts from Law Reports relating to Nonconformist and State Church Matters (see page 138).

CRABB ROBINSON MSS.—Our congratulations to Prof. Edith Morley on the publication of the first fruits of her labours on the Crabb Robinson Diaries and Letters, of which we are the proud custodians. Also our thanks to Prof. Morley for the presentation copy recorded on page 135.

FIRST FOLIO SHAKESPEARE.—We have had the satisfaction of taking our share in the tercentenary celebrations. Our copy of the First Folio (included in the original library bequeathed by Dr. Williams) was on view each afternoon during Shakespeare week (April 23–27th), and was inspected by a number of readers, who appreciated the opportunity of seeing a copy at close quarters.

CATALOGUE.—The new author catalogue of accessions, 1900–21, announced in the last number of the Bulletin, was issued at the end of March, and is selling well. Full particulars as to price, etc., will be found on page 118. We may point out that the volume (which runs to 470 pages) is being sold at cost price of paper and printing, the whole of the expenses of preparation being borne by the Trustees. If the sales to town readers, who can inspect before purchasing, are a fair indication of its value, country readers need not fear lest they should find themselves buying a pig in a poke.

BULLETIN.—We are glad to be able to announce a reduction in the price of the Bulletin. The reduction is partly made possible by lower costs, but is partly made in the hope of stimulating sales. It was hoped, when the half-yearly Classified List was substituted for the old annual alphabetical list, that the greater frequency of publication would be sufficient compensation for the enhanced price. This hope has not been realised. The Bulletin cannot pay its way on the present sales. It follows, of course, that unless the sales go up as a result of the lowering of the price, the price will have to go up again.

Any criticisms or suggestions, or observations on the relative usefulness of the classified as against the old alphabetical author list, would be very welcome.

## Notes and News

TRUSTEES.—We regret to announce the death, on July 1, of Mr. Robin Roscoe, a Trustee since 1921. His place has not yet been filled.

---

LYON TURNER MANUSCRIPTS.—By the kindness of Mrs. Turner, the papers of the late Professor G. Lyon Turner have been deposited at the Library. The papers include valuable transcripts from records and registries relating to the religious life of London and a number of English and Welsh shires during the Commonwealth and the Restoration. This is by far the most important addition to our manuscript records of Nonconformity since the Walter Wilson papers were deposited here. It is a pleasure to express here, on behalf of all students of Nonconformist history, our gratitude to Mrs. Turner for her generous gift, and our own pride at having given the privilege of making this valuable material easily accessible.

---

ENCYCLOPÆDIA BRITANNICA.—The Library has acquired for the Reading Room a set of the thick paper issue of the latest edition of the Encyclopædia Britannica (see page 143). The effect of the purchase is to liberate the thin paper issue now in the Reading Room, and render it available for borrowers. It is hoped that this may be a convenience to readers in the country, who may need reliable information on subjects outside the general scope of the Library.

---

READING ROOM.—The windows in the Reading Room, which already contained a large variety of heraldic glass, have been enriched by the addition of the arms of the Rev. Philip Le Breton, who was a Trustee from 1841 to 1860.

As a Trustee of University Hall (now the Library building) he was Chairman of the Committee under whose direction University Hall was built. The panel bearing his arms is the gift of his grandson, Colonel Le Breton of Bridport.

---

DIVINITY SCHOLARSHIPS.—The Examinations for the Divinity Scholarships were held in September last. Three candidates presented themselves, of whom only one reached scholarship standard. A scholarship was awarded to Mr. James Stewart, Scottish Congregational College, Edinburgh.
